

York Peel Chiropractic Society

Proudly Presents

Dr. Eric Plasker, D.C.

Best selling Author and world renowned speaker

Dr. Eric Plasker is recognized as an innovative wellness expert, featured on ABC, NBC, CBS, Discovery Channel's Forever Young. He's shared the stage with such luminaries as Dr. Deepak Chopra, Dr. Barbara De Angelis, Dr. Wayne Dyer and Dr. Andrew Weil. With the recent release of "The Longevity Solution – Secrets of The 100 Year Lifestyle", Dr. Plasker has joined an exclusive club of thought leaders and speakers including Tony Robbins, Robert Kiyosaki, Brian Tracy, Zig Ziglar, and many others. **His presentations, columns, and advice reach more than 60,000 doctors world wide each month.**

With the launch of "**The 100 Year Lifestyle**", Dr. Plasker defines a brand new health care model in a world of extended life spans. **This new model combines the best of both crisis care and quality of life, wellness care, so that doctors are equipped to solve the immediate and lifetime care needs of their communities.**

Dr. Eric Plasker ran two highly successful practices in Georgia for 16 years before launching The Family Practice, Inc., a mission-driven training company that is helping chiropractors around the world help more people while reaching their full potential in practice and life. **The Family Practice is helping doctors build the most successful lifetime family wellness practices in the world.**

Dr. Plasker currently travels all over the world with The Family Practice Seminars and has become one of the most sought after speakers on chiropractic. Come and learn from a master communicator the secrets of offering a lifetime of wellness care.

According to Dr. Plasker, "**Everyone deserves to be healthy and express their full potential from the time they are born through their last breath of life.**" **You, your loved ones, and your patients deserve this too !!**
